CERTIFIED TRUE COPY

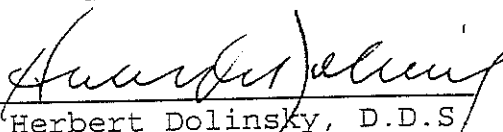

This matter was opened to the New Jersey State Board of Dentistry ("Board") upon the application of Michael F. Parise, D.D.S., ("respondent") seeking to remove the remaining restrictions on his license imposed by the Board's order of March 18, 2002. In support of his application, Dr. Parise has submitted reports from William Keene, D.D.S., M.A., Executive Director of the Well Being Program sponsored by the New Jersey Dental Association. The Board notes that Dr. Parise has made excellent progress in his recovery, including his active participation in assisting other impaired practitioners in their recovery. At this time, the Board believes that Dr. Parise's sustained recovery warrants removal of the remaining restrictions and that such action is consistent with the Board's obligation to protect the health, safety and welfare of the public.

IT IS ON THIS 21 DAY OF SEPTEMBER, 2005,

ORDERED that all restrictions and monitoring requirements imposed on Michael F. Parise, D.D.S., be and are hereby lifted.
